

CAPTURE

SAFETY PROTOCOLS

To ensure the safety of our guests, everyone must adhere to the following sanitation protocols:

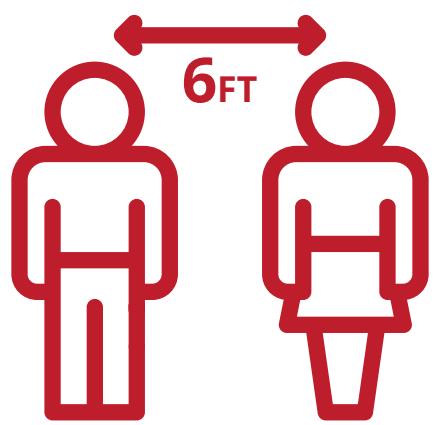

CHECK-IN

Upon arrival please check in with our team and have your temperature taken via our touchless laser thermometers.

COVER YOUR FACE

Approved face coverings or masks must be worn at **all times**. If you do not have one, a mask will be provided to you by one of our staff members.

KEEP YOUR DISTANCE

Practice social distancing by staying at least 6' feet apart from others.

WASH YOUR HANDS

Please wash your hands frequently. This is still the most common way to prevent the spread of COVID-19.

SANITIZE AS NEEDED

Complimentary hand sanitizing stations are available for all guests.

KEEP IT CLEAN

All crew members are required to frequently wipe down and clean all equipment and common area surfaces of the studio during your time at Capture.

PUT TRASH IN ITS PLACE

All trash must be discarded into designated trash cans. Please recycle when possible. Thank you.

If you have any questions, comments, or concerns please don't hesitate to contact a Capture Studios staff member at any time.

The entire Capture Studios team thanks you for your patronage and business, and we look forward to making your experience with us a safe and enjoyable one.
